Tracking Susannah Snyder

Summary of Children with John Loy

Before the marriage to Susannah, we have a pretty good case for the fact that John arrived in Prospect Township, Marion Co., OH, in about 1852. His Wife Sophia somehow arrived in the vicinity as well, and their third child (Mary) was born. Sophia dies in 1853. John works as a carpenter, perhaps a skill that he brought from Baden.

This, however, leaves him as single father, supporting three children (Mary, an infant, John, 5 years old, and Catherine, 2 years old). Somehow he made the situation work, but it is not surprising that he would have sought help and companionship. This he found in the person of one Susannah Snyder, who resided with her family in the nearby township of Waldo.

John and Susannah married in March, 1857. By the time of the 1860 Federal Census, their family consisted of John's original three children and two of their own. -

Tracking Susannah Snyder

"United States Census, 1860," database, FamilySearch (<https://familysearch.org/ark:/61903/1:1:MCGN-LRG> : accessed 12 December 2015), Samuel Loy in household of John Loy, Prospect Township, Marion, Ohio, United States; from "1860 U.S. Federal Census - Population," database, Fold3.com (<http://www.fold3.com> : n.d.); citing p. 165, household ID 1226, NARA microfilm publication M653 (Washington, D.C.: National Archives and Records Administration, n.d.); FHL microfilm 805,006.

In 1864 they had another daughter, Sarah Ann. - Her 1946 obituary shows her birth date as 2/2/1864.

So, by 1864, there is a family consisting of 6 children, ranging in age from newborn to 16. My great grandfather, Sam was about 5 years old.

At about this time, Susannah no longer appears in records that have been found so far. We have seen that the 1870 Federal Census does not show her. Exactly what happens is not at all clear and deserves more research.

Following is a family group chart for the Loy/Snyder family. Note that, where birth locations are found in the historical record for the children, none explicitly show Marion Co., OH, as the place where they were born. Also, note that the family is clearly shown as being in Marion Co. in 1860, however.

Perhaps John's work (carpentry) made them a mobile family, or possibly just as likely recorded birth locations reflect inaccurate information and an association with Delphos, OH, which spans Allen and Van Wert Counties. Here is a summary of birth locations per "official" records.

- Christena – Van Wert County, OH
- Sam – just Ohio (I have never seen anything more specific than this.)
- Sarah – Allen County, OH

Tracking Susannah Snyder

Fate of Siblings

I have not found the family in 1860 or 1870 with certainty. It is possible that Susannah's brother, George, became entangled in the Civil War. Her sisters, Martha and Elizabeth, could have married. This would have left parents, John and Catherine, alone and harder to trace. This is another potential future avenue of research that might accidentally reveal something about Susannah's life during the 1860s.
